

LC3 Industry Day

LC3 2017 Heraklion, Crete

CIB W78 & CONVR (4-7 July)

IGLC 25 (9-12 July)

BIM & Lean Industry Day (9 July)

BIM & Lean PhD Summer Schools (8-9 July)

If learning about BIM & Lean from the experience of cutting-edge construction companies interests you, the LC3 Industry day is the best place to do it. The industry day is part of the BIM and Lean Congress, from the 4th-12th July.

9th July

- Introduction to Lean and Lean Construction
- BIM for construction
- Synergies of Lean and BIM
- Practical experience of Lean and BIM implementation in **small to medium** construction companies
- Practical experience of Lean and BIM implementation in **large** construction companies
- Panel discussion - Construction 2025 – The Lean and BIM future
- Cocktail party and mingling with colleagues and friends
- Innovation competition (8th July)
